

SATHISHKUMAR S

SENIOR TECHNICAL WRITER

Bangalore, KA | Ph: +91 9095025393

sathishkumarsaminathan2000@gmail.com | www.linkedin.com/in/sathishkumars2000

PROFESSIONAL SUMMARY

Technical writer with 4 years of experience translating complex technical concepts into clear, user-focused documentation, including user manuals, installation guides, and technical procedures. Adept at using industry standard writing tools, content management systems and version control tools to deliver accurate, accessible content. Looking to bring my documentation expertise to a dynamic team where I can drive impactful, high-quality technical content.

SKILLS

- **Authoring Tools** : Oxygen XML Author, PTC Arbortext Editor, Madcap Flare, Adobe Framemaker, Markdown
- **Illustration Tools** : Teamcenter Visualization, Siemens NX, Tecdraw, Snagit
- **Authoring Standards** : ASD-STE 100, MSTP
- **Version Control/CMS** : Git, Github, SDL Tridion Docs
- **Other Skills** : Siemens Teamcenter, JIRA, MS Office, DITA XML, HTML/CSS.

WORK EXPERIENCE

APPLIED MATERIALS INDIA PVT. LTD.

Senior Technical Writer

BANGALORE, INDIA

September 2025 – Present

- Develop and maintain Operation Manuals, User Guides, Maintenance Manuals, and New Product Introduction (NPI) documentation for semiconductor manufacturing equipment.
- Collaborate with product managers, subject matter experts (**SMEs**), and cross-functional team leads to gather technical information and ensure documentation accuracy and completeness.
- Ensure all documentation complies with company standards and industry style guides, including Simplified Technical English (**ASD-STE100**) and Microsoft Manual of Style (**MSTP**).
- Proofread and edit technical content to maintain high-quality standards, reducing rejection rates and ensuring on-time delivery.
- Drive continuous improvement of documentation processes through template standardization, version control practices, and content management system (CMS) optimization.
- Support documentation planning, review, and publishing workflows for new product introductions and ongoing process improvement initiatives.

CAPGEMINI TECHNOLOGY SERVICES LTD

Technical Writer

BANGALORE, INDIA

August 2022 – September 2025

- Created and revised 400+ hardware and software manuals in compliance with industry and client-specific standards, using **Simplified Technical English (STE)**.
- Created user-friendly manuals, including installation guides, maintenance procedures and Service Bulletins.
- Created 200+ technical illustrations using **Teamcenter Visualization** and **NX** by analyzing 3D engineering drawings from **TPD's**.
- Collaborated with **Subject Matter Experts (SMEs)** and Stakeholders to gather accurate technical information's to create clear, concise and easy to understand content to the end users.
- Proofread and edited documents for high-quality standards to minimize rejection rates and ensure timely delivery of documentation.
- Served as a peer reviewer to ensure manuals meet internal guidelines and quality benchmarks.
- Supported weekly planning and delivery coordination to streamline workflows and ensure timely milestone completion.
- Actively participated in peer reviews and quality assurance meetings, contributing to reduction in documentation errors.
- Conducted **Knowledge Transfer (KT)** sessions for new team members, ensuring smooth onboarding and consistent adherence to processes, tools, and standards.

ACHIEVEMENTS

- **Most Valued Partner (MVP) - Applied Materials** (May 2026) - Recognized for collaborating effectively with stakeholders to deliver high-quality NPI documentation on schedule, and for resolving 50+ JIRA tickets within a short timeframe.
- **Wow Award - Capgemini** (Dec 2024) - Recognized as a key contributor to the TF project for mentoring and coaching new team members, accelerating team productivity, and consistently delivering high-quality results.
